John Murawski  
825 Colorado Boulevard  
Los Angeles, CA 90041

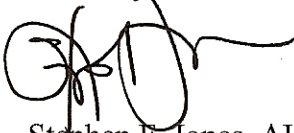

To whom it may concern,

In the ten plus years that I have been working with John on numerous restaurants and other similar projects, I have found John to have a high level of professional demeanor, is consistently fair, and maintains a detailed level of attention to the projects that we have worked on together.

His knowledge of the construction process is unsurpassed and his ability to work through problems as a "team player" has been my primary reason for my continuous allegiance to work with him through out the years.

I would highly recommend him as a general contractor.

Sincerely,

Stephen F. Jones, AIA
