Dear John,

As our Donpo Kitchen project came into shape, we quickly realized the immense challenges we were going to encounter. Most pressing of all were the demanding schedule and the high standards held by both our architect and landlord. CalAsia executed the job in a fashion that exceeded all our expectations. They were precise, efficient, and transparent; overall exemplarily professional. CalAsia had showed us how it should be done, and we look forward to work with them again in the near future.

Thank you!

Very best,

Xing
