Dear John,

Thank you for your help and guidance throughout this entire process. You are a true professional and straight shooter which are important qualities that we value dearly.

This was a complex project, and we couldn't have pulled it off without you, Todd, Sae and the entire CalAsia team. Sae in particular was a pleasure to work with. His on the ground experience, ability to problem solve and focus on doing what's best for the client were critical for getting our project completed. On top of all this he's always punctual and extremely hard working.

Thank you again to the entire CalAsia team.
